The Honorable Wesley Chesbro, Chairperson  
California State Senate  
Joint Legislative Budget Committee  
State Capitol, Room 5100  
Sacramento, CA 95814

Dear Senator Chesbro:

The California Department of Transportation (Department) transmits the second quarterly package of monthly status and oversight reports on the Project Resourcing and Schedule Management (PRSM) software project. This is required by a provision of Item 2660-492 of the Budget Act of 2005. The provision says:

Beginning July 1, 2005, the Department of Transportation shall provide to the Chairperson of the Joint Legislative Budget Committee copies of the monthly status and oversight reports submitted to the Department of Finance for the Project Resource and Scheduling Management Project on a quarterly basis.

The Department submits the monthly status reports to the Department of Finance. An independent consultant also submits monthly oversight reports to the Department of Finance. The attached package is the compilation of Department and independent consultant prepared reports that were submitted to the Department of Finance at the beginning of October, November, and December 2005.

Sincerely,

A handwritten signature in cursive script that reads "Janet S. Dawson".
